Participants / facilitator (optional):

01 EARTH

What changes for water, soil, climate and other living beings?

02 ESSENTIALS

Who benefits? Who can access food, shelter, energy and care?

03 BELONGING

Who might be excluded? What would make participation accessible?

04 POWER

Who decides, benefits and does the work? How can people challenge it?

05 POSSIBILITY

What could art, learning, technology or shared imagination contribute?

06 PRACTICE

What is the smallest useful step? What would make us revise or stop?
